<u>Work Breakdown</u>

Whoever does a feature needs to touch on menu, repository and entity related to that feature and potentially some other features branches too. This is just an estimation of who works mainly on which features.

Le Duc Manh: UML, Doctor, Prescription, Report

Hoang Pham Viet Quang: MenuFactory/Main Menu, Patients, Report, Javadocs, UML

Luu Minh Thang: Administrator, Report, Javadocs

Chester Chan Hong Kai: Appointments, UML, Report, Presentation Slides

Hoang Phong: Pharmacist, Medicine, Report, Javadocs
